## Home page :

Upon landing on the home page of **ShowCart**, users are greeted with a streamlined and user-friendly interface designed to enhance their browsing experience. The header and Sub Header includes in every page.

### Header:

At the top of the page, the header prominently displays the **ShowCart** logo, along with a convenient search bar and button for quick product searches. Additionally, users can easily access the login option to sign in to their accounts.

### Sub Header :

Right below the top of the page, you'll find a menu that helps you choose what you want to shop for. Whether you're looking for clothes for men, women, or kids, or maybe stuff for your home or some accessories, we've got you covered! If you're shopping for clothes, just hover over the men's or women's section, and you'll see a dropdown menu with options like shirts, tops, and skirts to make finding what you want even easier. Plus, if you need any help or support, you can find our contact info right here too.

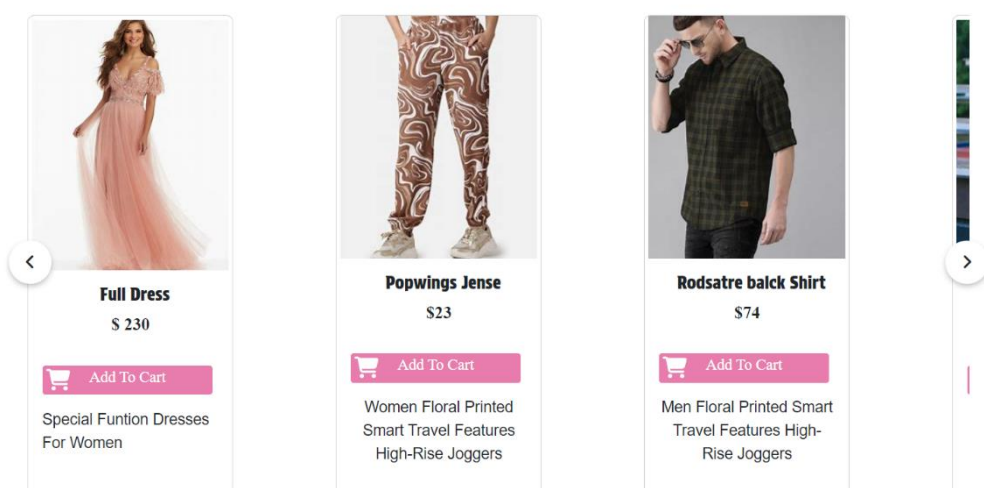

**Brand Logo/Name:** Spanning the full width of the page just below the subheader, users will find the brand logo or name, serving as a visual anchor and reinforcing brand identity.

**Featured Products Slider:** Beneath the brand logo/name, users are presented with a dynamic slider showcasing featured products. With automatic scrolling every 1/2 and right navigation buttons allow users to manually browse through the slider, catering to individual preferences and enhancing user control

After Selecting An Option :

Once you pick a category form the menu, like “Women’s” clothing, you’ll go to page with all sorts of cloths just for women. There, you’ll see section for tops, skirts, traditional wear and more.

## Cart page and ordering :

After clicking the "Add to Cart" button for the products you like, you'll be directed to your cart page. Here, you'll see all the items you've added, along with their details like name, quantity, size, and price. This makes it easy for you to review your selections before making a purchase.

If everything looks good and you're ready to place your order, simply click on the "Order" button.
